Dear Mr. Dulles:

As a trustee of the School of Advanced International Studies of The Johns Hopkins University, it occurs to me that you might be interested in reading a recently published case study of the National Planning Association of Washington on the operations of the United Fruit Company in Latin America.

I am, therefore, having copy sent you under separate cover and trust that you will find it of both interest and value.

Sincerely yours,

John S. McClintock
Assistant Vice President

(EXECUTIVE REGISTRY)
